

CURRICULUM VITAE

PERSONAL DATA:

NAME: Sanin

SURNAME: Tanković

OCCUPATION: PhD (Veterinary science)

EMPLOYED: Food Safety Agency of Bosnia and Herzegovina, Director

EDUCATION:

- 2015 *Doctor of Veterinary Sciences in the field of „Hygiene and technology of foodstuffs of animal origin“ – Topic: „Development, validation and compatisation of methods for detection and quantification of aflatoxin M1 residues in milk“*
- 2010 *Master of Veterinary Sciences in the field Hygiene and technology of foodstuffs of animal origin“ – Veterinary school University of Sarajevo. Topic: „Reliability of the Elisa method for the detection of chloramphenicol in the meat of edible trout“*
- 1998 *Doctor of Veterinary Medicine (DVM) - Veterinary school University of Sarajevo*
- 1985 - 1989 *Economics school in Sarajevo*
- 2003 - Jun *Professional veterinary exam*
- 2002 - Dec *Professional administrative exam*

PROFESSIONAL EXPERIENCE:

2025		present	<i>Food Safety Agency of Bosnia and Herzegovina, director</i>
2016		2025	<i>State Veterinary Office of Bosnia and Herzegovina, State Veterinary Inspector</i>
2008		2016	<i>State Veterinary Office of Bosnia and Herzegovina, Secretary General National „focal point“ in OIE-u for aquaculture</i>
2009		2015	<i>FAO TCCT international expert in aquaculture and management (rated as „high recommended“) FAO – Food and Agriculture Organisation</i>
2002		2008	<i>State Veterinary Office of Bosnia and Herzegovina, Senior Associate for Veterinary Public Health</i>
		2005	<i>Member of the working group on the drafting of the Law on Veterinary Medicine</i>
		2005	<i>Advisor to the SES II (Single Economic Space) on drafting the regulations that are in force in EU (853/2004 & 854/2004), related to the Food Safety.</i>
		2004	<i>Member of the Working group on the drafting of the Food Safety Law</i>
2002	-	present	<i>Drafting implementing regulations based on Veterinary Law and Food Safety Law</i>
2001			<i>Advisor to the representatives of the US Company „Land O` Lakes“ on technical development of the project – Standardization of the production of Travniki cheese in the area of the Vlašić mountain</i>

1998	-	2001	Project manager at the Fondation „Land of Frinedship and Peace“ in Rakovica
------	---	------	---

TRAINING, WORKSHOPS AND CONFERENCES:

- *BTSF (Better Traing for Safer Food) Training course on „Food hygiene and controls of meat & derived products“, February 2023, Rome, Italy*
- *BTSF (Better Traing for Safer Food) Training course on „Union Rules in relation to Microbiological Criteria“, April 2019, Riga, Latvia*
- *MTEC Matra training for European cooperation – Food Safety, Ministry of Foreign Affairs of Holland, february 2010, Holland.*
- *Training course on „Organization and management of public veterinary service“ held in Teramo, Istituto Zooprofilattico Sperimentale dell’Abruzzo e del Molise „Guiseppe Caporale“*
- *Workshop on „Food safety solutions: Status and perspectives in Bosnia and Herzegovina“, Sarajevo, Bosnia and Herzegovina – organized by State Veterinary Office of Bosnia and Herzegovina in cooperation with Partners for Development / NQSP BiH*
- *Seminar on „The prudent use of veterinary medicinal products“, Brussels, Belgium - organized by TAIEX*
- *Workshop on „Animal disease control prioritization and initiation of surveillance strategies in Bosnia and Herzegovina“, Sarajevo, Bosnia and Herzegovina – organized by State Veterinary Office of Bosnia and Herzegovina*
- *Role of veterinary inspection in handling of animal by products, Lublin, Poland – organized by OIE*
- *Agriculture and Trade Regulatory and Policy Officials, Bucharest, Romania – organized by CLDP*
- *Study tour to Food Safety Agency of Holland, Delft, Holland – organized by SES (single economic space)*
- *Sanitary and Phytosanitary Measures Coordination in Southeast Europe, Tirana, Albania – organized by CLDP*
- *Training on Geographic Information Systems (GIS) and Databasis-United States Department of Agriculture (USDA), Animal and Plant Health Inspection Service, organized by USDA, Cochran Fellowship Program, Ft.Collins, Colorado, USA*
- *TSE conference "Fact or fiction"-Ft.Collins, Colorado, USA*
- *Certificate of participation - Animal disease surveillance workshop, September 3, 2003. Sarajevo, Bosnia and Herzegovina, organized by United States Department of Agriculture, Animal Population Health Institute in cooperation with Animal Health Economic Center: Veterinary faculty Sarajevo and State Veterinary Office of Bosnia and Herzegovina*
- *Certificate of participation – The First Symposium of Agriculture, Veterinary and Forestry "Strategy of development of domestic production", 14-17. May 2003., Neum, Bosnia and Herzegovina*
- *Certificate of completion issue in recognition of successful completion of HACCP, food safety & quality management system training workshop, as part of the Croatian Enterprise Promotion seminar series quality management February 10 – 13, 2003. Zagreb, Croatia*
- *Economic faculty of Univrsvity of Sarajevo – diploma of business school*
- *Praxis in private veterinary praxis with Dr. Hubert Raussin, Verdun, France and Dr.Francois Thomas in Buchy, France - medical treatment small and big animals, insemination, surgery, France*

ACNOWLEDGMENTS, MEMBERSHIPS, EDITORIALS:

- *Chairman of the Advisory Body of the Veterinary school University of Sarajevo, 2024 - present*
- *Reviewer for Scientific Journal Meat Technology. Founder and Publisher Institute of Meat Hygiene and Technology 2019-danas*
- *Winner of the Eduoard Saouma Award for the best FAO project in the field of aquaculture, Rome, Italy 2011.*

OTHERS:

- *Active knowledge of English and pasive knowledge of French adn Russian*
- *ECDL Certificate (European Computer Driving Licence) (Basis of IT, MS Word, MS Excel, MC Access, MS PowerPoint, IE/5 Outlook)*
- *Driving license "B" and "C" category*
